

Risk warnings

This communication does not represent an investment recommendation under Regulation (EU) No. 596/2014 on market abuse, nor does it represent investment advice pursuant to Act No. 256/2004 Coll., on Capital market undertakings. The information specified herein shall not be automatically considered a binding offer to purchase or sell any investment instrument, offer for a contract or any other solicitation or invitation regarding the purchase or sale of such investment instrument, as appropriate.

By law, Komerční banka, a. s. may not provide legal or tax advice. Before investing, client should carry out their own risk analysis in terms of legal, tax and accounting consequences, without relying solely on the information included in this communication and, if necessary, consult a tax or other advisor.

Komerční banka, a.s. assumes no liability for damage (beyond the legal liability for damage) caused by the use of this communication or the information contained herein. The investment instruments referred to in this document may not be suitable for all investors.

Past performance of investment instruments is not necessarily indicative of future performance. Expected future performance depends on premises that may not materialise. Investment instruments and other investments are associated with different investment risks, whereas investments may fluctuate in value and even the initially invested amount may not be fully recovered. Furthermore, investment instruments denominated in other foreign currencies are also exposed to risks arising from changes in foreign exchange rates, with potential positive or negative impact on investment instrument prices and consequently the investment returns.

Employees of Komerční banka, a.s. and of other companies of the same financial group, including their close persons and authors of this communication, may – from time to time – trade in or hold the investment instruments described herein, their underlying assets or derivatives derived therefrom. This communication shall not be binding on Komerční banka, a.s. or other companies of the same financial group in connection with the provision of their investment services to their clients.

This communication has been issued by Komerční banka, a. s. – i.e. a bank and an investment firm within the meaning of the applicable legal regulation. As such, it is subject to supervision by the Czech National Bank.

This communication is not intended for citizens or residents of the United States of America (USA) or for any “U.S. Person”, as defined in SEC Regulation S under the U.S. Securities Act of 1933. The investment products and insurance-based investment products described in this communication are not registered under the U.S. federal securities laws or any other relevant U.S. state laws. Consequently, no investment products or insurance-based investment products may be offered or sold directly or indirectly in the USA, to or for the benefit of residents and citizens of the USA and/or U.S. Persons.
